CAMP PROGRAMS

SUMMER BRAIN GAIN

Summer Brain Gain is six weeks of fun, theme-based activities designed to mitigate summer learning loss for early and upper elementary, middle, and high school youth. Each Common Core aligned learning module provides engaging project-based activities, with an emphasis on math, literacy, and 21st century skills

STEM

Science, Technology, Engineering and Math. Kids dive into the world of science by conducting cool science experiments or creating their own theories. The messier the project the better.

TRIPLE PLAY

We encourage kids to be healthy in their minds, body and their soul. Triple play is a comprehensive health and wellness initiative that teaches kids how to improve their overall health. Kids will participate in fun physical activity and learn healthy habits to incorporate into their daily lives.

DRAMA MATTERS

Kids will enhance their confidence and ability to perform as they learn the fundamentals of drama and theater. They will participate in fun theatrical activities to boost their self-esteem.

DIGITAL ARTS

Kids will be able to see the world through a whole new lens. They will be able to explore their artistic expression through various photography techniques.

SPORTS

Calling all sports fanatics! Campers will play traditional sports like flag football, basketball and tennis, etc. We will also mix it up with popular camp games like dodgeball, kickball and many more!

PLEASE NOTE:

Due to safety regulations, open-toed shoes are not allowed at summer day camps or field trips, except on beach days. Sneakers or running shoes are safest for daily physical activity.
